**THE JAMMU AND KASHMIR REQUISITIONING AND
ACQUISITION OF IMMOVABLE PROPERTY
(AMENDMENT) BILL, 2013.**

[L. A. Private Members' Bill No. 16 of 2013.]

A Bill to amend the Jammu and Kashmir Requisitioning and Acquisition of Immovable Property Act, 1968 (hereinafter referred as the Principal Act).

Be it enacted by the State Legislature in the 64th Year of the Republic of India as follows :—

1. *Short title and commencement.*—(1) This Act may be called the Jammu and Kashmir Requisitioning and Acquisition of Immovable Property (Amendment) Act of 2013.

(2) It shall come into force at once.

2. *Amendment to section 9 of the principal Act.*—The following proviso shall be added after section 9 :—

Provided that if the acquisition of property is in the process under the Act and not completed within a period of six months from the date of notification under the provisions of the Act and compensation to the land owners is not paid within that period, the land owners (the property of whom is under subject matter of the Act) shall be paid interest at the rate prescribed under section 35 of the Land Acquisition Act, 1990.

STATEMENT OF OBJECTS AND REASONS

In acquisition of requisitioned property by the defense authorities land owners are not getting proper compensation of their land on the actual date of payment as assessment of same is made on the basis of issuance of J Notification which is not synchronizing with actual date of payment. The difference in actual notification (cut of date for determination of compensation) in some cases often goes beyond period of seven years and land owners are suffering for no fault on their part. Their rental compensation also stands stopped from the date of J Notification but they are not getting the compensation of acquired land within six months from issuance of J Notification. In most of the cases the delay in payment goes beyond several years.

Hence the Bill.

MLA.

STATEMENT OF OBJECTS AND REASONS

Rajouri-Poonch Districts Geographically isolated has suffered many a times due to war between India and Pakistan, the area is virtually land locked as from one side it is Himalaya and on the other side it is LAC. Consequently the people of the area have a distinct identity and different problems from most of the other areas of the State. The literacy rate of the area is very low and the region remain inaccessible during winter. The road connectivity, medical facilities and educational facilities are very poor in the area as compared to other areas of the State. The people of Rajouri and Poonch had been demanding effective local institutional arrangement which can help to promote and accelerate the pace of development and equitable all round growth. This is possible only by constituting the Autonomous Hill Development Council for the area on the pattern of Ladakh Autonomous Hill Development Council.

Hence the Bill.
