Thereafter, the Financial Commissioner, Revenue, Jammu and Kashmir Government was requested vide this Collectrate's letter No. LA/ADC/656-59 dated 15-12-2005 for issuance of declaration under section 6, 7 and 17 of Land Acquisition Act. The Financial Commissioner, Revenue issued Notification No.77/FC of 2006 under sections 6, 7 of Land Acquisition Act, vide his office under endorsement No. FC-LS/LA-1950/06 dated 11-08-2006, and Revenue Department J&K Government issued Notification No. 146-RD of 2006 U/s 17 of Land Acquisition Act and communicated the same to this Collectorate vide endorsement Rev.(LAJ) 153/06 dated 04-09-2006 for the said land acquisition.

Consequent upon this, notification under sections 9 & 9A was issued and got pasted on conspicuous places for information of land owners/interested persons and also served upon to indenting department vide this Collectorate No. LA/ADC/327-29 dated 24-08-2006 for the said land acquisition.

Principle of Compensation

The Tehsildar, Udhampur vide his No. 1075/OQ dated 28-09-2005 at the time of preparation of revenue papers has worked out the three years average sale deed rates as Rs. 25,882/- per kanal and recommended the present market rate as Rs. 2.00 Lakh per kanal irrespective of classification of kind of soil. The land under acquisition falls along the existing Jammu-Srinagar National Highway and it carries a great commercial/potential value. The market rate recommended by Tehsildar, Udhampur seems to be genuine and the then Collector, Land Acquisition proposed the rate of land compensation at the rate of Rs.2.00 Lakh per Kanal irrespective of classification of kind of soil and requested the District Collector to place the case in Collectors meeting for the approval of rates of land compensation. The instant case of land compensation was placed in Collectors meeting held on 14-09-2006. The proposed rates were discussed in the meeting of Collectors chaired by the District Collector, Udhampur and Land compensation @ Rs. 1.50 Lakh per Kanal irrespective of classification of kind of soil has been approved.

Since, some structures, fruit bearing trees and non-fruit bearing trees are coming within the alignment, the Superintending Engineering, PWD (R&B) Circle, Udhampur assessed the compensation on account of the structures coming under the proposed acquisition, the assessment reports were furnished
