SOLID WASTE MANAGEMENT BYE-LAWS, 2019

CHAPTER I

1. *Short Title and Commencement.* (1) These bye-laws shall be called the Municipal Committee, Kargil Solid Waste Management Bye-Laws, 2019.

(2) They shall come into force on the date of their publication in the J&K Government Gazette.

2. *Extent of Application.* These bye-laws shall be applicable within the territorial limits of Municipal Committee, Kargil including domestic, institutional, commercial and any other residential Solid Waste Management, situated in Municipal Committee, Kargil and to the public who throw the solid waste into storm water drainage, underground sewerage system, water bodies through Directorate of Urban Local Bodies, Kashmir/Jammu.

3. *Definitions.* (1) In these bye-laws, unless the context otherwise requires,

- (1) **“Agency”** means Municipal Committee, Kargil ;
- (2) **“Aerobic composting”** means a controlled process involving microbial decomposition of organic matter in the presence of oxygen ;
- (3) **“Anaerobic digestion”** means a controlled process involving microbial decomposition of organic matter in the absence of oxygen ;
- (4) **“Authorization”** means the permission given by the State Pollution Control Board, to the operator of a facility or Urban Local authority, or any other agency responsible for processing and disposal of Solid waste ;
- (5) **“Biodegradable waste”** means any organic material that can be degraded by micro-organism into simpler stable compounds ;
- (6) **“Bio-methanation”** means a process which entails enzymatic decomposition of the organic matter by microbial action to produce methane rich biogas ;
- (7) **“Brand owner”** means a person or company who sells any commodity under a registered brand label ;

- (8) **“Bulk Garden and Parks & Horticultural Waste”** means bulk waste from parks, gardens etc. including grass clippings, weeds, woody -brown carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (9) **“Bulk Waste Generator”** means bulk waste generator defined under Rule 3(1)(8) of the Solid Waste Management Rules, 2016 (hereinafter referred to as 'SWM Rules') and any other waste generator including buildings occupied by the Central Government departments or undertakings, State Government departments or undertaking, Local bodies, public sector undertakings or private companies, hospitals, nursing homes, schools, colleges, universities, other educational institutions, hostels, hotels, commercial establishments, markets, places of worship, stadia and sport complexes having an average waste generation rate exceeding 100 Kg. per day ;
- (10) **“Bye-Laws”** means regulatory framework notified by Municipal Committee, Kargil for factuating the implementation of these rules effectively in their jurisdiction ;
- (11) **“C&D waste (Construction and Demolition waste)”** means Construction and Demolition Waste (Debris) that are non-hazardous in nature generated out of building materials, debris and rubble in the jurisdiction.
- (12) **“Clean Area”** means the public place in front of and all around or adjacent to any premises extending to the kerb side and including the drain, foot path and kerb cleaned and so maintained in accordance with these bye-laws ;
- (13) **“Cleanliness Fee”** means an amount of fees collected by the managers/Organizers for cleaning the site by the Agency ;
- (14) **“Collection”** means lifting and removal of solid waste from source of waste generation, collection points or any other location ;
- (15) **“Collection Counter”** means where the user charges shall be remitted which will be available at all Zonal Officers and headquarters.

- (16) **“Combustible waste”** means non-biodegradable, non-recyclable, non-reusable, non-hazardous solid waste having minimum calorific value exceeding 1500 kcal/kg and excluding chlorinated materials like plastic, wood pulp, etc.;
- (17) **“Community waste storage bin”** means any storage facility setup and maintained by the Municipal Committee, Kargil, in the State collectively by owners and or/occupiers of one or more premises for storage of Municipal Solid Waste in a segregated manner in the road side/premises of anyone of such owners/occupiers or in their common premises ;
- (18) **“Composting”** means a controlled process involving microbial decomposition of organic matter ;
- (19) **“Co-processing”** means use of non-biodegradable and non-recyclable solid waste having calorific value exceeding 1500k/cal as raw material or as a source of energy or both to replace or supplement the natural mineral resources and fossil fuels in industrial processes ;
- (20) **“Containerised Hand Cart”** means the hand cart provided by the Municipal Committee, Kargil or the agency/agent appointed by it for point-to-point collection of solid waste ;
- (21) **“Decentralized processing”** means establishment of dispersed facilities for maximizing the processing of biodegradable waste and recovery of recyclables closest to the source of generation so as to minimize transportation of waste for processing or disposal ;
- (22) **“Delivery”** means handing over any category of solid waste to worker of Municipal Committee, Kargil or any other person appointed, authorised or licensed by Municipal Municipal Committee, Kargil for taking delivery of such waste or depositing it in any vehicle provided by Municipal

Committee, Kargil, or by any other authorised agency or licensed by Municipal Committee, Kargil, to do so ;

- (23) **“Disposal”** means the final and safe disposal of post processed residual solid waste and inert street sweepings and silt from surface drains on land to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds ;
- (24) **“Domestic hazardous waste”** means discarded paint drums, pesticide cans, CFL bulbs, tube lights, expired medicines, broken mercury thermometers, used batteries, used needles and syringes and contaminated gauge, etc., generated at the household level ;
- (25) **“Door to door collection”** means collection of solid waste from the door step of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multistoried building or apartments, large residential, commercial or institutional complex or premises ;
- (26) **“Dry waste”** means waste other than bio-degradable waste and inert street sweepings and includes recyclable and non recyclable waste, combustible waste and sanitary napkin and diapers, etc. ;
- (27) **“Dump sites”** means a land utilized by local body for disposal of solid waste without following the principles of sanitary land filling ;
- (28) **“Event”** means any gatherings for the purpose of functions, celebrations, meetings, rallies, processions, open air theatre activities, cinema shootings in public places.
- (29) **“Extended producer responsibility”** (EPR) means responsibility of any producer of packaging products such as plastic, tin, glass, wrappers and corrugated boxes, etc.,

for environmentally sound management, till end-of-life of the packaging products ;

- (30) **“E-waste”** shall have the same meaning as defined under Rule 3(l) (r) of the E-Waste (Management) Rules, 2016.
- (31) **“Facility”** means any establishment wherein the solid waste management processes namely segregation, recovery, storage, collection, recycling, processing, treatment or safe disposal are carried out ;
- (32) **“Familiarization/warning period”** means that specific period, during which there is a relaxation in the fines for contravention of these bye-laws ;
- (33) **“Fine”** means penalty imposed on waste generators or operators of waste processing and disposal facilities under the bye-laws for non- compliance of the directions contained in rules and/or these bye-laws ;
- (34) **“Fixed Compactor Transfer Station (FCTS)”** means a powered machine which is designed to compact segregated solid waste and remains stationary when in operation. The compacts or may also be mobile when in operation, which may be called Mobile Transfer Station (MTS).
- (35) **“Handling”** includes all activities relating to sorting, segregation, material recovery, collection, secondary storage, shredding, baling, crushing, loading, unloading, transportation, processing and disposal of solid wastes ;
- (36) **“Hazardous waste”** means any waste which by reason of any of its physical, chemical, reactive, toxic, causing danger or is likely to cause danger to health or environment, whether alone or when in contact with other wastes or substances and all other hazardous wastes as defined in the Hazardous Wastes (Management and Handling) Rules, 1989 as amended to date and the Hazardous and other waste (Management and Transboundary Movement) Rules, 2016.

- (37) **“Horticulture, Parks and Garden Waste”** means waste from parks, gardens traffic island etc. These include grass clipping, annual weeds woody 'brown' carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (38) **“House-gully”** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as or carrying a drain or affording access to the latrine, urinal, cesspool or other receptacle for filling of other polluted matter by persons employed in the clearing thereof or in the removal of such matter therefrom.
- (39) **“Incineration”** means an engineered process involving burning or combustion of solid waste to thermally degraded waste materials at high temperatures ;
- (40) **“Inerts”** means wastes which are not bio-degradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains ;
- (41) **“Informal waste collector”** includes individuals, associations or waste traders who are involved in sorting, sale and purchase of recyclable materials ;
- (42) **“Leachate”** means the liquid that seeps through solid waste or other medium and has extracts of dissolved or suspended material from it ;
- (43) **“Litter”** means all refuse and includes any other waste material which, if thrown or deposited as prohibited under these Bye-Laws, tends to create uncleanness or a danger or nuisance to public health, safety or welfare.
- (44) **“Littering”** means putting litter in such a location that it falls, descends, blows, is washed, percolates or otherwise escapes or is likely to fall, descend blow, be washed, percolate or otherwise escape into or onto any public place, or causing, permitting or allowing litter to fall, descend, blow, washed,

percolate or otherwise escape into or onto any public place.

- (45) **“Local body”** for the purpose of these bye-laws means Municipal Committee, Kargil ;
- (46) **“Materials Recovery facility”** (MRF) means a facility where non-compostable solid waste can be temporarily stored by the local body or any other entity or any person or agency authorised by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorised informal sector of waste pickers, informal recyclers or any other work force engaged by the local body or entity for the purpose before the waste is delivered or taken up for its processing or disposal ;
- (47) **“Neighbourhood”** means a clearly defined locality, with reference to its physical layout, character or inhabitants ;
- (48) **“New construction”** means all buildings under construction within the limits of the Municipal Committee, Kargil in the District ;
- (49) **“Non-biodegradable waste”** means any waste that cannot be degraded by microorganisms into simpler stable compounds ;
- (50) **“Nuisance”** includes any act, omission, place or thing which comes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing or which is or may be dangerous to life or injurious to health or property ;
- (51) **“Nuisance Detectors”** (NOs) means those employees of the Municipal Committee, Kargil who are appointed to detect the acts of Public nuisance, etc. ;
- (52) **“Occupier/occupant”** includes any person who for the time being is in occupation of, or otherwise using, any land or building or part thereof, for any purpose whatsoever ;

- (53) **“Operator of a facility”** means a person or entity, who owns or operates a facility for handling solid waste which includes the local body and other entity or agency appointed by the Municipal Committee, Kargil ;
- (54) **“Owner”** means any person who exercises the rights of an owner of any building, or land or part thereof ;
- (55) **“Pelletisation”** means a process whereby pellets are prepared which are small cubes or cylindrical pieces made out of solid waste and includes, fuel pellets which are also referred as refuse derived fuel ;
- (56) **“Primary collection”** means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any other location specified by the Municipal Committee, Kargil.
- (57) **“Processing”** means any scientific process by which segregated solid waste is handled for the purpose of reuse, recycling or transformation into new products ;
- (58) **“Public place”** includes any road, arch road, viaduct, lane, footway, alley or passage, highway, causeway, bridge, square alley or passage whether a thoroughfare or not over which the public have a right of passage, and such places to which the public has access such as parks, gardens, recreation grounds, playgrounds, beaches, water bodies, water courses, public plazas and promenades, government and municipal buildings, public hospitals, markets, slaughter houses, courts, etc. ;
- (59) **“Prescribed”** means prescribed by SWM Rules and/or these bye-laws ;
- (60) **“Receptacle”** means any storage container, including bins and bags, used for the storage of any category of MSW ;

- (61) **“Recycling”** means the process of transforming segregated non-biodegradable solid waste into new material or product or as raw material for producing new products which may or may not be similar to the original products ;
- (62) **“Recyclable Waste”** means the waste that is commonly found in the MSW. It is also called as "Dry Waste". These include many kinds of glass, paper, metal, plastic, textiles, electronics goods, etc.
- (63) **“Redevelopment”** means rebuilding of old residential or commercial buildings at the same site, where the existing buildings and other infrastructures have become dilapidated ;
- (64) **“Refuse”** means any waste matter generated out of different activities, processes, either Bio-degradable/Non-biodegradable/recyclable in nature in either solid or semi-solid form which cannot be consumed, used or processed by the generator in its existing form.
- (65) **“Refuse Derived Fuel” (RDF)** means fuel derived from combustible waste fraction of solid waste like plastic, wood, pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydrating and compacting of solid waste ;
- (66) **“Residual solid waste”** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing ;
- (67) **“Rule”** means Solid Waste Management Rules, 2016 ;
- (68) **“Sanitation”** means the promotion of hygiene and the prevention of disease and other consequences of ill health relating to environmental factors ;
- (69) **“Sanitary Landfill Facility”** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, wind-blown litter, bad

odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion ;

- (70) **“Sanitary land filling”** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, bird menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion ;
- (71) **“Sanitary waste”** means wastes comprising of used diapers, sanitary towels or napkins, tampons, condoms, incontinence sheets and any other similar waste ;
- (72) **“Sanitary worker”** means a person employed by the Municipal Committee, Kargil for collecting or removing MSW or cleansing the drains in the Municipal Committee, Kargil ;
- (73) **“Schedule”** means the Schedule appended to these rules ;
- (74) **“Storage”** means the temporary containment of solid waste in a manner so as to prevent littering, attraction to vectors, stray animals and excessive foul odour ;
- (75) **“Secondary storage”** means the temporary containment of solid waste after collection at secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility ;
- (76) **“Segregation”** means sorting and separate storage of various components of solid waste namely biodegradable wastes including agriculture and dairy waste, non-degradable wastes includes recyclable waste, non-recyclable combustible waste, sanitary waste and non-recyclable inert waste, domestic hazardous waste and authority providing and demolition waste ;

- (77) **“Service provider”** means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc. ;
- (78) **“Solid waste”** means and includes solid or semi-solid domestic waste, sanitary waste, commercial waste, institutional waste, catering and market waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste, Hazardous waste excluding industrial waste, bio-medical waste and e-waste, battery waste, radio-active waste generated in the area under the local authorities and other entities ;
- (79) **“Sorting”** means separating various components and categories of recyclables such as paper, plastic, cardboards, metal, glass, etc., from mixed waste as may be appropriate to facilitate recycling ;
- (80) **“Source”** means the premises in which the waste is generated or a community storage centre used by owners/occupiers of one or more premises for segregated storage of MSW ;
- (81) **“Spittoon”** means a metal or earthenware pot typically having a funnel-shaped top, used for spitting into.
- (82) **“Stabilising”** means the biological decomposition of biodegradable wastes to a stable state where it generates no leachate or offensive odours and is fit for application to farm land, soil erosion control and soil remediation ;
- (83) **“Stabilised biodegradable waste”** means the biologically stabilized (free of pathogens) waste resulting from the mechanical/biological treatment of bio degradable waste ; only when stabilised can such waste be used with no further restrictions ;
- (84) **“Street vendor”** means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street, lane, side walk, footpath, pavement, public park or any other public place or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and all other synonymous terms which may be local or region specific; and the words ÷street

vending with their grammatical variations and cognate expressions, shall be construed accordingly ;

- (85) **“Tipping fee”** means a fee or support price determined by the local authorities or any state agency authorised by the State government to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill ;
- (86) **“Transportation”** means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odour, littering and unsightly conditions ;
- (87) **“Transfer station”** means a facility created to receive solid waste from collection areas and transport in bulk in covered vehicles or containers to waste processing and, or, disposal facilities ;
- (88) **“Treatment”** means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm ;
- (89) **“User fee/Charges”** means fees or charges imposed by Municipal Committee, Kargil through general or special order of the Competent Authority from time-to-time, on the waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services ;
- (90) **“Vacant Plot”** means any Land or open space belonging to a private party/person that is not occupied by them/him ;
- (91) **“Vermi composting”** means the process of conversion of bio-degradable waste into compost using earth worms ;
- (92) **“Waste hierarchy”** means the priority order in which the solid waste is to be managed by giving emphasis to

prevention, reduction reuse, recycling, recovery and disposal, with prevention being the most preferred option and the disposal at the landfill being the least ;

- (92) **“Waste generator”** means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, defence establishments, which generate solid waste or other institutions i. e. Hotels, restaurants, malls, private/government business/industrial establishments falling within the limits of Municipalities.
- (93) **“Waste picker”** means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid waste from the source of waste generation, streets, bins, material recovery facilities, processing and waste disposal facilities for sale to recyclers directly or through intermediaries to earn their livelihood.

CHAPTER II

SEGREGATION AND PRIMARY STORAGE OF SOLID WASTE

4. Segregation and storage of solid waste at source.ô

(I) It shall be necessary for all waste generators to separate and store the solid waste coming out of their own places regularly into three streams namely :ô

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste; and deposit it into covered waste bins, and handover segregated waste to designated waste collectors as per the direction of Municipal Committee, Kargil, from time to time.

(II) Every bulk waste generator is to separate and store the solid waste coming out of their own places into three streams namely :ô

- (a) non-biodegradable or dry waste ;

- (b) biodegradable or wet waste ;
- (c) hazardous waste in suitable bins ; and handover segregated waste to authorised waste processing or disposal facilities or deposition centres through the authorised waste collection agency with paying the carrying charges specified by Municipal Committee, Kargil from time to time.

(III) The colour of bins for storage of segregated waste shall be green- for biodegradable waste or wet waste blue - for non- biodegradable or dry waste and black- for domestic hazardous waste.

(IV) All resident welfare and market associations shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Kargil.

(V) All gated communities and institutions with more than 5,000 sq. m. area shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed off through composting or bio- methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Kargil.

(VI) All hotels and restaurants shall ensure segregation of waste at source, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Kargil.

(VII) No person shall organize an event or gathering of more than one hundred persons at any unlicensed place without intimating Municipal Committee, Kargil along with payment of user fee as prescribed in the schedule, at least three working days in advance and the person or the organizer of such event shall ensure segregation of waste at source and handing over of segregated waste to waste collector or agency as specified by Municipal Committee, Kargil.

(VIII) Used sanitary waste are to be securely wrapped as and when generated in the pouches provided by the manufacturers or brand owners of these products or in a news paper or suitable biodegradable wrapping material and place the same in the bin meant for non-biodegradable waste or dry waste.

(IX) Every street vendor shall keep suitable containers for storage of segregate waste generated during the course of his activity such as food waste, disposable plates, cups, cans, wrappers, coconut shells, leftover food, vegetables, fruits, etc., and shall deposit such waste at waste storage depot or container or vehicle as notified by Municipal Committee, Kargil.

(X) Waste generator of garden and horticulture waste generated from his premises shall store such waste separately in his own premises and dispose of the same as per the directions of Municipal Committee, Kargil from time to time.

(XI) Domestic Hazardous Waste shall be stored and delivered by every waste generator to the collection vehicle which shall be provided weekly/periodically by Municipal Committee, Kargil or any other Agency authorised by it for collection of such waste, or to a centre designed for collection of such waste for disposal in a manner that is mandated by the Government of Jammu and Kashmir or State Pollution Control Board.

(XII) Construction and Demolition Waste shall be stored and delivered separately as per the Construction and Demolition Waste Management Rules, 2016.

(XIII) No untreated bio-medical waste, e-waste, hazardous chemicals and industrial waste shall be mixed with solid waste. Such waste shall be disposed off in accordance with the respective rules framed under the Environment (Protection) Act, 1986.

(XIV) Every owner/occupier of any premises other than designated slaughter houses and markets, who generates poultry, fish and slaughter waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to the Municipal Committee, Kargil collection vehicle provided for this purpose. Depositing of such waste in any community waste bin is strictly prohibited.

(XV) Segregated bio-degradable solid waste if not composted by the generators, shall be stored by them within their premises and its delivery shall be ensured to the municipal worker/vehicle/waste picker/waste collector or to the bio-degradable waste collection vehicle provided for specified commercial generators of bulk bio-degradable waste at such times as may be notified from time to time.

CHAPTER III

SOLID WASTE COLLECTION

5. *Collection of Solid Waste.* (I) In compliance with SWM Rules, 2016, door to door collection of segregated solid waste shall be implemented in all areas or Wards or Wards or Wards of Municipal Committee, Kargil (Through Municipal Committee, Kargil) to collect garbage from every house, including slums and informal settlements on a daily basis by integrating the informal door to door collection system with Municipal Committee, Kargil collection system.

(II) In order to collect garbage from every house, area-wise specific time slot shall be set and published at conspicuous parts of that area and on the website of Municipal Committee, Kargil. Commonly, time for house to house garbage collection shall be set from 5.30 A. M. to 10.30 A. M. for summer and for winter 7:00 A. M. to 11:00 A. M. For collection of garbage from trading establishments, shops in commercial areas or any other institutional waste generators, commonly the time shall be from 7.30 A. M. to 11.00 A. M. However, sweeping can be undertaken twice daily, if required at public and commercial places. The timing for collection of garbage from the trading establishments, shops in commercial areas or any other institutional waste generators shall be decided by the Municipal Committee, Kargil accordingly.

(III) Arrangements shall be made for collection of residual solid waste from bulk waste generators, which are processing waste *in situ*.

(IV) Residual solid waste from vegetable, fruit, flower, meat, poultry and fish market shall be collected on day to day basis.

(V) Horticulture and garden waste shall be separately collected and disposed off. One or two days in a week shall be specified for this purpose.

(VI) To make optimum use of bio-degradable waste from fruits and vegetable markets, meat and fish markets, bulk horticulture and garden waste and to minimize the cost of collection and transportation, such waste shall be processed or treated within the area where waste is generated.

(VII) Manual handling of waste in the containers shall be prohibited. If unavoidable due to constraints, manual handling shall be carried out under proper protection with due care for safety of workers.

(VIII) Waste generators shall be responsible to deposit their segregated waste in the Auto-Tipper/Rickshaws etc. deployed by Municipal Committee, Kargil. Segregated waste from multistoried buildings, apartments, housing complexes may be collected from the entry gate or any other designated location.

(IX) Changing needs and advances in technology shall be taken into consideration for selection of collection equipment and vehicles. Auto-Tippers or vehicles of specific capacity with hydraulically operated hopper covering mechanism from top having two compartments for carrying biodegradable and non-biodegradable waste separately with a hooter shall be deployed for collection of waste.

(X) Automatic voice recorded device, bell or horn having sound not more than the permissible noise level shall be installed on every garbage collection vehicle used by waste collectors.

(XI) Route plans for each primary collection and transportation vehicle shall be provided by Municipal Committee, Kargil or by the notified authorised waste collector. These plans in tabular as well as GIS map form, duly approved by Municipal Committee, Kargil shall mention starting point, start time, waiting points, waiting time on route, end point and end

time of the specified route. Municipal Committee, Kargil or the notified authorised waste collector shall provide a 'Board' at each street to display time-table of primary collection and transportation vehicles to allow residents avail the facility at prescribed time. Such information shall also be uploaded on the website of Municipal Committee, Kargil and published in the local leading newspaper periodically for the information of General Public.

(XII) In narrow streets that cannot be serviced by auto tipper or the vehicle, a 3-Wheeler or smaller motorized vehicle with hydraulically operated hopper covering mechanism from top having two compartments for carrying wet and dry waste separately with a hooter, compatible with mobile transfer station shall be deployed.

(XIII) In congested and narrower streets that cannot even be serviced by 3-Wheeler or smaller vehicle, cycle rickshaws or any other type of suitable equipment shall be deployed.

(XIV) Smaller, narrow and congested streets/lanes where even a 3-wheeler/ rickshaw etc. cannot operate, vantage points shall be designated at the start of the locality/street where the collection vehicle shall be parked and the helper/driver of vehicle shall carry a whistle and walk in the locality to announce arrival of vehicle for collecting solid waste. Time table for such collection system shall be displayed at the notice board and uploaded on the website of Municipal Committee, Kargil.

(XV) Auto tippers, 3-wheelers, rickshaws and any other type of collection vehicles engaged in this service shall collect waste only from households and not from any other source viz. dhalaos, open sites, ground, bins and drains etc.

(XVI) Municipal Committee, Kargil or its notified authorised waste collectors shall be responsible to cover all the streets/lanes of each zone for the primary collection.

CHAPTER IV

SECONDARY STORAGE OF SOLID WASTE

6. *Storage of solid waste in the secondary storage points.*

(I) Segregated solid waste collected from doorsteps shall be taken to waste storage depots, community storage bins or fixed or mobile transfer

stations or the locations specified by Municipal Committee, Kargil for secondary storage of waste.

(II) Such secondary storage points shall have covered containers (of specified colour) for separate storage of :

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste ;

(III) Different containers shall be used in the areas demarcated by Municipal Committee, Kargil to keep segregated waste in the following manner :

- * green- for biodegradable waste ;
- * blue - for non-biodegradable ;
- * black - for domestic hazardous waste ;

Municipal Committee, Kargil shall separately notify, from time to time, mandatory colour coding and other specifications of receptacles prescribed for storage and delivery of different types of solid waste to enable safe and easy collection without any mixing or spillage of waste, which generators of different types of solid waste shall have to adhere to.

(IV) Municipal Committee, Kargil on its own or through outsourcing agencies shall maintain the storage facilities for solid waste in a manner that does not create unhygienic and unsanitary conditions around it.

(V) Containers of various sizes in the secondary storage depots shall be provided by Municipal Committee, Kargil or any assigned agencies in different colours as mentioned in these bye-laws.

(VI) Storage facilities shall be created and established by taking into account quantities of waste generation in a given area and the density of population.

(VII) Storage facilities shall be user friendly and shall be so designed that it ensures compaction of waste and that the waste stored is not exposed to open atmosphere.

(VIII) All the housing cooperative societies, associations, residential and commercial establishments and gated communities etc. shall have the responsibility to put coloured bins as prescribed by these bye-laws and to keep adequate number of containers in appropriate places in their own complexes, so that the daily waste generated there can be properly deposited.

(IX) Municipal Committee, Kargil or its specified agency shall carry out washing and disinfection of all the bins on a weekly basis.

(X) Recycling Centers for Dry Waste (Non-Biodegradable Waste)ô

- (a) Municipal Committee, Kargil shall convert its existing Dhalaos or identify specific location as per requirement, as 'Recycling Centers' which shall be used for segregation of dry waste received through street/door to door waste collection service. Recycling centers may be increased depending on the quantity of dry waste received.
- (b) Dry (non-biodegradable) waste from street/door-to-door collection system and from commercial establishments shall be transferred only to these designated recycling centers. These designated centers shall receive only dry waste.
- (c) There shall also be a provision for the households to directly deposit or sell their recyclable dry waste to the authorised agents and/or authorised waste dealers of Municipal Committee, Kargil at these recycling centers at pre-notified rates. A weighing scale and a counter shall be provided at each recycling unit for this purpose. The authorised agents and/or authorised waste dealers shall be allowed to dispose off or sell the recyclable waste to the secondary market or recycling units only in consonance with the provisions of SWM Rules, 2016. The authorised agents and/or authorised waste dealers will be entitled to retain sales realization thereof.

(XI) Deposition Centre for specified Domestic Hazardous Wasteô

- (a) For the collection of domestic hazardous waste, a deposition centre will be set up at a suitable location for receiving the

specified domestic hazardous waste. Such facility shall be set in each ward in a manner as per guidelines prescribed and notify the timing of receiving of such waste.

- (b) Municipal Committee, Kargil may also give the responsibility to its agency or concessionaire to collect domestic hazardous waste from all waste generators in segregated manner.
- (c) Such waste shall be transported separately to the hazardous waste disposal facility set up by the Government.

CHAPTER V

TRANSPORTATION OF SOLID WASTE

7. *Transportation of solid waste.* (I) Vehicles used for transportation of waste shall be covered in such manner that the collected waste is not exposed to open environment. The vehicles may also include compactors and mobile transfer stations depending upon choice of technology by Municipal Committee, Kargil.

(II) The storage facilities set up by Municipal Committee, Kargil shall be attended daily for clearing waste. The areas around the place where the bins or containers are kept shall also be cleaned.

(III) Collected segregated bio-degradable waste from residential and other areas shall be transferred to the processing plants like compost plants, bio-methanation plants or any such other facilities in a covered manner.

(IV) Wherever applicable, for bio-degradable waste, preference shall be given for on-site processing of such waste.

(V) Collected non-bio-degradable waste shall be transported to the respective processing facilities or secondary storage facilities.

(VI) Construction and Demolition Waste shall be transported as per the provisions of the Construction and Demolition Waste Management Rules, 2016.

(VII) Municipal Committee, Kargil shall make arrangements for transportation of inerts in a proper manner. The street sweeping waste and removable drain silt shall be removed immediately after the work is over.

(VIII) Transportation vehicles shall be so designed that multiple handling of waste, prior to final disposal, is avoided.

(IX) The collection vehicles engaged for the purpose shall deposit/transfer waste only at the MTS (Mobile Transfer Station) or FCTS (Fixed compactor Transfer Stations) wherever provided.

(X) In case MTS/FCTS is not stationed at the designated location at that point of time for any reason, then the 'loaded vehicle' shall go to the next designated location of the MTS or FCTS or the site specified by Municipal Committee, Kargil to unload the waste.

(XI) Fixed compactor transfer station shall be transported through hook loader.

(XII) MTS or FCTS shall transport the waste directly to compost plant, waste to energy plant or any other site/plant designated by Municipal Committee, Kargil.

(XIII) There should be no inter-mixing of waste from various sources during the transportation of waste.

(XIV) The services of street level collection and transportation of waste shall be provided every day including holidays.

(XV) MTS engaged in this service shall receive waste only from designated auto tippers, 3-wheelers or vehicle/bins collecting waste from street level operations.

(XVI) Dedicated MTS shall be deployed at specified locations to receive waste from the Auto Tippers, 3-Wheelers, Rickshaws etc. engaged in street-level and door-to-door collection of solid waste from households and commercial establishments as per the approved route plans.

(XVII) Design of MTS and FCTS shall allow unloading of waste from primary collection vehicles by consuming minimum time and without littering waste.

(XVIII) Garbage spilled near MTS and FCTS, while transferring the solid waste, should be cleaned so that no spillage is left. Disinfectant should be used after cleaning process at that location.

(XIX) Municipal Committee, Kargil or its specified agency shall install CCTV cameras at all secondary storage facilities.

CHAPTER VI

PROCESSING OF SOLID WASTE

8. *Processing of solid waste.* (I) Municipal Committee, Kargil shall facilitate construction, operation and maintenance of solid waste processing facilities and associated infrastructure on their own or through any agency for optimum utilisation of various components of solid waste adopting suitable technology including the following technologies and adhering to the guidelines issued by the Ministry of Urban Development from time to time and standards prescribed by the Central Pollution Control Board :

- (a) to minimise transportation cost and environmental impacts, preference shall be given to decentralised processing such as bio-methanation, microbial composting, vermi-composting, anaerobic digestion or any other appropriate processing for bio-stabilisation of biodegradable waste ;
- (b) through medium/large composting bio-methanation plants at centralised locations ;
- (c) through waste to energy processes by refuse derived fuel for combustible fraction of waste or supply as feed stock to solid waste based power plants ; and/or
- (d) through construction and demolition waste management plants.

(II) Municipal Committee, Kargil shall endeavour to create a market for consumption of RDF (Refuse Derived Fuel). The cement

factories are liable to take RDF from municipal dumping sites who have to use RDF to the order of 5% of the total fuel burnt by them in their kilns.

(III) In waste to energy plant by direct incineration, absolute segregation shall be mandatory and be part of the terms and conditions of the relevant contracts.

(IV) Municipal Committee, Kargil shall ensure that recyclables such as paper, plastic, metal, glass, textile etc. go to authorised recyclers.

9. *Other guidelines for processing of solid waste.* (I) Municipal Committee, Kargil shall enforce processing of bio-degradable waste on site of generation of such waste through composting or bio-methanation, as far as possible, at RWAs (Resident Welfare Associations), group housing societies, markets, gated communities and institutions with more than 5000 sq. m. areas, all hotels and restaurants, banquet halls and places of such nature. Preference shall be given for on site processing of biodegradable waste generated by other waste generators as well.

(II) Bulk generators who fail to install waste processing units within their premises shall be liable for fine to install such processing units with time line envisaged in the notices. If they perpetually fail to establish waste disposal system within six months after first notice issued to them, the Municipal Committee, Kargil are empowered to seal such erring bulk waste generating business establishments.

(III) Municipal Committee, Kargil shall enforce that markets dealing with vegetables, fruits, flowers, meat, poultry and fish waste while processing bio-degradable waste ensure hygienic conditions.

(IV) Municipal Committee, Kargil shall involve communities in waste management and promote home composting, bio gas generation, decentralized processing of waste at community level, subject to control of odour and maintenance of hygienic conditions around the facility.

(V) The waste generator has to pay user charges/sanitation fee to the local bodies inspite of the fact if they process their waste at their institutional level.

CHAPTER VII

DISPOSAL OF SOLID WASTE

10. *Disposal of Solid waste.* Municipal Committee, Kargil shall undertake on its own or through any other agency, the construction, operation and maintenance of sanitary landfill and associated infrastructure for disposal of residual waste and inert street sweepings and silt from surface drains in a manner prescribed under SWM Rules and any other obligation imposed by any other law for the time being in force.

CHAPTER VIII

USER FEE AND LEVYING OF SPOT FINE/PENALTY

11. *User fee for collection, transportation, disposal of solid waste.* (a) User fee shall be fixed for providing services for garbage collection, transportation and disposal from waste generators by Municipal Committee, Kargil. The rates of user fee are specified in Schedule-I.

(b) The user fee so fixed shall be collected from waste generators by Municipal Committee, Kargil.

(c) Municipal Committee, Kargil shall prepare the database of all the waste generators for the purpose of levying user fee, and evolve appropriate mechanism for billing/collection/recovery of user charges, within three months from the date of notification of these bye-laws. The database shall be updated regularly.

(d) Municipal Committee, Kargil shall adopt different methods for collection of user fee including online payment.

(e) Special days in a month, preferably in first week of each month, shall be fixed for collection of user fee.

(f) There shall also be a system of yearly or half yearly payment. If the user fee is paid in advance for the entire year, then amount for ten

months will be charged instead of twelve months. Similarly, for six months advance payment, five and half months demand amount will be charged instead of six months.

(g) The user fee mentioned in Schedule-I shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(h) The user fee shall be collected only by the institution/person authorised by the competent authority by a general or special order in this behalf.

(i) In case of default of payment of user fee/fine, the competent authority may recover the same from the defaulter as an arrear of land revenue as per the provision of Land Revenue Act, 1996. However, Municipal Committee, Kargil shall be allowed to effect the recovery under the provisions of Jammu and Kashmir Municipal Act, 2000.

12. *Fine/Penalty for contravention of SWM Rules.*

(a) Whosoever' contravenes or fails to comply with any of the provisions of SWM Rules or these bye-laws shall be imposed with fine as mentioned in Schedule-II appended to these bye-laws.

(b) In case of repeated contravention or non-compliance as mentioned in clause (a) above, fine amount for every such default shall be levied per day or month, as the case may be.

(c) The Commissioners/Executive Officer shall designate officers for levying fine or penalty by a general or special order in this behalf. The fine/penalty amount is specified in Schedule-II.

(d) The fine or penalty mentioned in Schedule-II shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(e) The fine shall be levied and collected on the spot by the designated officers. In case of non-payment of fine at the spot, the procedure for prosecution prescribed under provisions of the Environment (Protection) Act, 1986 shall follow.

(f) In realization of fines imposed on defaulters, the J&K State Pollution Control Board shall not renew the licenses of hotels and other business units unless an NOC is not procured by the business unit/s from the concerned Corporation/Municipal Committee, Kargil/Tourist Development Authority.

(g) Fine shall be imposed on the hospitals and allied concerns if they are found mixing bio-medical wastes with municipal solid waste.

(h) Charges for the material recovery by rag pickers or waste dealers to be decided by the concerned Municipal Committee, Kargil.

(i) Concession to bulk purchasers of compost/plastic/tin and recyclables on the price of by product, if any, as a result of processing of Solid Waste shall be decided by the concerned local bodies.

(j) The cement manufacturing units shall be responsible to lift the RDF from municipal dumping sites and their license renewals be linked with ULB's NOC's.

(k) Tippers ferrying building material and causing avoidable waste on the streets shall be liable for fine to be decided by local body but not less than Rupees Five Hundred (500/-) per default.

13. *Responsibilities of Waste Generators.* (I) Prohibition of littering

- (a) Littering in any public place : No person shall litter in any public place except in authorised public or private litter receptacles.
