ô allotment of security contracts from renowned agencies for watch and ward etc. of its property. The agency, which is awarded contract after following the recognized procedure, engages independently people of their choice for such watch and ward activities of the respondent's property without involving the Hotel Management engagement or disengagement of such manpower is the job of agency concerned. In the background of facts, it is further pleaded by the non-applicants that the agency does not even consult respondent No. 1 in matter of recruitment. They have unanimously opposed the claim petition tooth and nail.

4. Respondent No. 3 has however filed his separate written demurrer wherein it is stated that the portioners are not sure which agency has employed them ; that the selection process was initiated by appointing authority ; that even the contract with appointing authority had expired much before 05-05-2003. So respondent No. 3 is not liable for their termination from service ; that this Tribunal lacks jurisdiction in view of the petitioners averment in para 8 of claim petition that they had entered into contract with the employer as such they have the remedy under the Specific Relief Act only and not under Labour Laws ; that the respondent No. 3 is absolved of its liability, if any, on the petitioners' admission in para 11 of the petition that they were selected and engaged by respondent No. 2.

5. The matter-in-controversy was taken up for conciliation before the Deputy. Labour Commissioner, Srinagar (Kashmir) under the Industrial Disputes Act, 1947 but the conciliation fail and this reference for adjudication by this Tribunal is made by the Government of Jammu and Kashmir through Commissioner Secretary to Government, Labour and

Employment Department vide SRO Notification No. 52 dated 24th
February, 2004 under Sub-Section (1)(c) of Section 10 of the Industrial
Disputes Act, 1947 on the following issues/points :ô

1. Legality or otherwise of the action of the Management viz. ;
General Manager Centaur Lake View Hotel, Srinagar, Kashmir,
National Security Consultant, Abid Security Consultants in
terminating the services of its workers (35 Security Guards) ; and
2. Awards for appropriate relief to the said employees in case the
illegality of the action of the Management is established.

6. Parties appeared through advocates Petitioners have filed
evidence in the shape of affidavits etc. and both the parties have filed a
number of documents that include copies of agreement showing terms
and conditions ; copies of payments etc. of Provident Fund etc.

7. Heard learned counsel for the parties. They have also filed written
arguments each. I have gone through the entire record on file.

8. In the light of documentary as well oral evidence on file and in
view of arguments advanced on behalf of the parties the controversy
appears to be much simple and can be precisely resolved with the aid of
settled position of law. There is no denying the fact that petitioners (35
Nos.) were working in “**Centaur Lake View Hotel, Srinagar**” when
their services were terminated on 13-06-2003 notwithstanding the fact
that they were engaged by contractor viz. respondent No. 3 for a period of
one year from 01-05-2003 to 30-04-2004. The Conciliation proceeding
initiated by the Deputy Commissioner, Labour Department, Srinagar
having been failed, the Government of Jammu and Kashmir referred the
matter to this Tribunal in terms of Section 10(1)(c) of the Industrial Disputes
Act, 1947 by framing the above noted issue. The Conciliation Authority
has referred the matter to this Tribunal for appropriate findings with respect
to the controversy between the parties. The issue of references are already
reproduced hereinabove. Obviously the scope for adjudication by this

No. 48-3] The J&K Official Gazette, 24th Feb., 2022/5th Phal., 1943. 5
ô
Tribunal is restricted to determine the controversy viz. Legality or otherwise
of the action of the Management viz. General Manager ôCentaur Lake
View Hotelö Kashmir National Security Consultants and Abid Security
Consultants, in terminating the services of its 35 Security Guards/workers
in the first place and pass awards, if the petitioners deserve some relief in
their favour.

9. This Tribunal is therefore required to address the pivotal question
as to **whether the petitioners were employees of respondent No. 1**, if
yes, their termination against the terms and conditions, without service of
the required notice and payment of back wages, appears to unwarranted.
In coming to this conclusion the core question is “*whether they were the
employees of respondent No. 1, CLVH, Srinagar*”?

10. Let us see the record on file in order to trace the reply of the
supra question. On behalf of the petitioners much emphasis is laid on the
terms and conditions of -agreement[clause 9....] and it is seriously
canvassed that no adherence is made in terminating the petitioners. This
needs to be stated at the outset that there is no agreement between the
petitioners and the respondent No. 1 CLVH, Srinagar. The agreement
which is vehemently harped at by the petitioners advocate is **between the
petitioners and respondent No. 2, National Security Consultants and
not with respondent No. 1.** The agency supplying workers/petitioners to
the respondent No.1 agreed that it has no privity even with respondent
No. 3. As per clause 9 of the contract that -The security staff posted to
CLVH Unit will be under the Administrative discipline and functional
control of the General Manager/Security Manager CLVH, Srinagar and
will carry out the duties and functions as assigned to it from time to time
by the General Manager/Security Manager. The Security staff will however
be under your overall control which includes punctuality of the staff
provided by the contractorø The concluding words in this clause make it
amply clear that the ô**Staff i. e. the 35 petitioners were employed and
provided to respondent No. 1 by respondent No. 3, National Security
Consultants**”. This is only after their employment by respondent No. 3
that respondent No. 2, CLVH with whom they were to work is given a

6 The J&K Official Gazette, 24th Feb., 2022/5th Phal., 1943. [No. 48-3
kind of administrative/functional control for discipline, punctuality etc.

11. This may be stated herein that the burden to establish that the petitioners are the employees of the respondent No. 1, is on the petitioners only which they have miserably failed to discharge [General Manager (OSD), Bengal Nagpur Cotton Mills Rajnandgaon Vs. Bharat Lal, 2010 AIR SCW 7312]. The respondent No. 1 has vehemently pleaded that it never engages nor appoints security staff by itself rather it is the particular Security Agency that employs and provides such security staff to the respondent and the petitioners have brought no evidence documentary or oral, which may be so convincing that this Tribunal may be left with no option except to believe it. This is the further case of respondents that it is for the contractor viz. National Security Consultants to engage personnel to its satisfaction and provide to respondent No..It is the prerogative of the contractor to terminate the services of so engaged personnel by the Agency only and accordingly the petitioners have no relationship of master and servant. Obviously therefore none of the respondent Nos. 1, 4 and 5 is under any obligation to retrench or terminate their services or serve a notice or pay the back wages. The claimants/petitioners have not proved to the contrary by any iota of evidence nor such relationship stands proved from the documents on file. The tangible case of the respondent Nos. 1, 4 and 5 is that, as it is pleaded on their behalf, that the petitioners have engaged by respondents 2/3 and not by respondents 1, 4 and 5, as the petitioners were engaged by the contractor only and there is no privity between the petitioners and non-applicants 1, 4 and 5. Referring to clause 18 of the contract drawn between the contractor and respondents 1, 4 and 5 it is impressed upon by the respondents advocate that contract regulates relationship between contractor and non-applicants and notice referred to in the said clause is required to be given to contractor and not to **personnel** engaged by the contractor. Therefore the argument regarding service of notice to petitioner before terminating their services is the matter between the contractor and the petitioner and not between the petitioners and respondent Nos. 1, 4 and 5, therefore this argument of the petitioner also **pales** into insignificance.

No. 48-3] The J&K Official Gazette, 24th Feb., 2022/5th Phal., 1943. 7
ô

12. This apart, it is proved on facts on file that the petitioners were engaged by the contractors as such it was the supplying agency alone that the Security Agency was obliged to make payment to the petitioners and non-applicant Nos. 1, 4 and 5 had no obligation towards them, be it their wages or other service benefits. Clause 7 makes it further clear that liability in respect of Employees State Insurance, Provident Fund and Gratuity etc. is that of the contractor only towards the staff/petitioners supplied by him. By virtue of stipulation in the contract, the respondents are given liberty to ask for change of the security staff and the stipulation in clause 8 binds the contractor, who is under obligation to change security staff and provide adequate replacement to the respondents 1, 4 and 5, as per clause 9 of the agreement, the security staff will be under overall control of the contractor [Clause 9 and 17] that makes it further clear that monthly bills for the security staff and for services provided by the *contractor shall be raised by the Contractor in the first week of next months*. The overwhelming documentary evidence fully supports the respondents version that they are not employer nor obliged to terminate petitioners services nor did they do in this case, but it is the respondents No. 2 and 3 who can be said to be their employers and under legal obligation contractually to abide by the terms and conditions of the Contract between them and no liability can thus be fastened on respondents 1, 4 and 5. In view of this factual situation and settled position of law there is no illegality committed by the respondents 1, 4 and 5 viz. General, Manager Centaur Lake View Hotel, Srinagar, Kashmir etc. by asking the supplying agency that they don't need the services of these person/persons who, in his turn discontinued their services in terms of the agreement between them and National Security Consultants/Respondent No. 2. Similarly the role of respondent No. 3 i.e. Abid is insignificant. It would not be exaggeration to say that his role is nil in this entire transaction. If at all the petitioners have some grievance, the remedy does not lie before this Tribunal. If advised they can move the other competent forum for redressal of their grievances. The reference, made by Deputy Labour Commissioner, Srinagar under section 10(1)(c)
