There may arise a situation where eligible applicants may exceed the posts available in a given quarter. In that situation, the list of the eligible applicants shall be carried forward to the next quarter and the applicants considered against the posts available in that quarter. This process will continue on a roll over basis from quarter to quarter in a year and the applicant shall be eligible to be considered for compassionate appointment up to and including the fifth year from the date of application

the receipt of the application/request and decision taken on merit in each case.

9. Application for Compassionate Appointment/Monetary Compensation.—The applicant shall submit the application for compassionate appointment/monetary compensation online under the Jammu and Kashmir Rehabilitation Assistance Scheme, 2022 on the designated portal. 10. Where there is an earning member in the family.—

- (a) In deserving cases even where there is already an earning member in the family, a dependent family member may be considered for compassionate appointment/monetary compensation. Before approving such appointment/compensation, the Competent Authority shall satisfy itself that grant of compassionate appointment/monetary compensation is justified having regard to number of dependents, assets and liabilities left by the Government servant, income of the earning member as also his liabilities including the fact that the earning member is residing with the family of the Government servant and whether he shall not be a source of support to other members of the family and take decision accordingly.
- (b) In cases where any member of the family of the deceased Government servant is already in employment and is not supporting the other members of the family of the Government servant, extreme caution has to be observed in ascertaining the economic distress of the members of the family of the Government servant so that the facility of appointment on compassionate ground is not circumvented and misused by putting forward the ground that the member

- (d) A decision on any such request for compassionate appointment/monetary compensation shall be taken only at the level of the General Administration Department.

12. Procedure.—

- i. General Administration Department shall appoint a Welfare Officer in each Administrative Department. The Welfare Officer of such department where an employee has died or retired on invalid pension shall meet the members of the family of the Government servant in question immediately after his death to advice and assist them in getting appointment on compassionate grounds/monetary compensation. The applicant shall be called in person at the very first stage and advised in person about the requirements and formalities to be completed by him.
- ii. The Welfare Officer in each department may be deputed to meet the family members of the deceased Government servant and apprise them of the terminal benefits available to the family. This may be at the earliest possible, preferably, within 30 days of death.
- iii. In case it is observed by the Welfare Officer that the condition of the family of the deceased Government servant is indigent, the family shall be apprised of the J&K Rehabilitation Assistance Scheme, 2022.
- iv. In such cases, the Welfare Officer shall assist the family member of the deceased Government servant in applying for appointment/monetary compensation on compassionate grounds. All assistance shall be extended to enable such a family member to fill the Application Form online for compassionate appointment/monetary compensation. The applicant shall be advised in person about the requirements and formalities to be completed by him. The applicant shall also be given detailed information of the posts to which they can apply.
- v. Keeping in view the administrative requirement in processing applications for compassionate appointment/

consisting of three officers-one chairman and two members-in the General Administration Department. The Committee shall be headed by an officer of the rank of Special Secretary/Director/Additional Secretary in the Department. The Welfare Officer in General Administration Department may also be made one of the members/ chairman of the Committee depending on his rank. Recommendation of the Committee shall be placed before the Competent Authority for a decision.

- x. The Committee shall meet in the first week of the succeeding quarter to consider applications for compassionate appointments received in the previous quarter. In case a large number of applications are received in a quarter, the Committee shall be at liberty to meet as frequently as it may be necessary to consider the applications.

- xi. Prior to every meeting of the Committee, the applicants whose applications are being considered, shall be informed, through emails or other forms of communication (including digital modes of communication), of the number of vacancies in each grade for which they are being considered as also the date the Committee is due to meet to consider their applications. However, the Applicant(s) would not be required to have any personal interaction, either with the Department or the Committee and that the applicants may not be asked to be present during the meeting of the Committee.

- xii. Transparency and objectivity are the foremost aspects of scheme for compassionate appointment. A holistic assessment of the financial condition of the family has to be made taking into consideration factors like presence of earning member(s), size of family, age of children and the financial needs of family.

- xiii. Every valid application shall be assessed strictly on the basis of the Point Based Merit System enclosed as AnnexureóI.

- xiv. While applying point based merit scheme (RMPAS) as mentioned above (Annexure-I), if situation arises that some candidates secure equal marks in merit and the Committee is unable to decide the merit of such candidates, in such cases the tie-breaking factor can be income available per dependent i. e. total of first three financial parameters prescribed in Annexure-I (Pension annualized total terminal benefits and annual income of earning members and income from property) divided by total number of dependents. The lesser the per dependent available income, the higher the rank amongst the applicants whose scores had a tie.

- xv. In case of tie even after applying the factor of per dependent available income, then the leftover service of Government servant can be considered. This is suggested as it may be implied that longer the leftover service of the deceased, the more is the impact on the family. Applicants related to Government servant with higher leftover service would be considered over the one with lesser leftover service.

- xvi. The Committee shall make a recommendation for appointment/monetary compensation on compassionate ground as per the total points obtained by each applicant, under the applicable Point Based Merit System (RMPAS).

- xvii. The result of each round of selection in a given quarter shall be uploaded on designated portal. The points awarded against each parameter along with total merit points earned, may also be provided to the applicants through email or other forms of communication.

- xviii. The minutes of each meeting of the Committee including the merit points earned by each Applicant shall also be placed, within a period of three weeks from the date of meeting of the Committee, in public domain on the website of the Department/Organization for information of all concerned.

- xix. Recommendation of the Committee shall be placed before the competent authority for a decision. If the competent authority disagrees with the Committee's recommendation, the case may be referred to the next higher authority for a decision.

- xx. Point based merit scheme imparts the necessary objectivity, homogeneity and transparency to the scheme for appointment/monetary compensation on compassionate grounds. Henceforth, it shall be followed strictly for assessing comparative merit of the applicants for compassionate appointment/monetary compensation.

13. Undertaking for maintenance of the family of the deceased employee.—A person appointed on compassionate grounds under the Scheme shall give an undertaking in writing (as in Clause VI of Part A of Annexure-II) that he/she will maintain properly the other family members who were dependent on the Government servant in question and in case it is proved subsequently (at any time) that the family members are being neglected or are not being maintained properly by him/her, his/her appointment may be terminated forthwith. Taking care of this situation, it shall be incorporated as one of the additional conditions in the appointment order applicable only in the case of appointment on compassionate grounds.

14. Request for change in post/person.—When a person has been appointed on compassionate grounds to a particular post, the set of circumstances, which led to such appointment, shall be deemed to have ceased to exist. Therefore,ô

- a. he/she shall strive in his/her career like his/her colleagues for future advancement and any request for appointment to any higher post on considerations of compassion shall invariably be rejected.

- b. an appointment made on compassionate grounds cannot be transferred to any other person and any request for the same on consideration of compassion shall invariably be rejected.
