a necessary party and has wrongly been impleaded as party respondent.
Therefore petition is liable to be dismissed for mis-joinder of parties.

Heard .Perused objections taken by respondents as well as written submissions. Respondents have argued that the present petition is hit by Limitation Act as the same is not filed within a period of twelve months from the date of cause of action. Respondents have categorically stated in their written reply that no amount was ever deducted by the company as the same was not allowed to be deducted hence all the deducted and recoveries made from out of full and final settlement upon termination of services. The petitioner are in line with the Payment of Wages Act and absolutely there is no occasion for filing any petition against the respondents. According to the respondents the petitioner vide her written letter admitted that petitioner has accepted 32 claim intimations and handed over to Mr. Adil, surveyor who is working with G.N- Teli Surveyor on the panel of respondent no. 1 Hence all these illegal acts/commission and omissions done by the petitioner were not part of the duties of the petitioner who was not authorized to do so without any authority. Consequently she was put under suspension in contemplation of a formal enquiry into the matter vide letter dated 30-12-2014 and ultimately she was terminated from services vide order dated 03-03-2015 on having and over all view of the matter by the competent authority.

Considered arguments put forth herein and entire material on record. LC for petitioner has in his petition stated that a civil suit seeking mandatory injunction came to be filed by her and an *ex-parte* injunction was granted by Ld. Munsiff Srinagar vide its order dated 06-04-2015 which was subsequently vacated by the aforesaid Court.

I have carefully perused the record and evidence affidavit of the petitioner Masooda Amin as well as of her witnesses namely Mohammad Amin Baba and Nazir Ahmad Bhat wherein both the witnesses have corroborated the statement of Masooda Amin.

Keenly perused provisions of the Payment of Wages Act (Section 15) and also of Limitation Act it appears that nowhere the petitioner has denied the assertions put forth by respondents that she has not overreached her job and handled 32 claims without instructions/orders passed by respondents even keen perusal of evidence affidavit filed by the petitioner reveals that there is no mention of any deduction part from the petitioner.
