Circular No. 14-JK (GAD) of 2023

Dated 09-05-2023.

Transfers in an administrative setup based on tenure system are a routine affairs, necessitated many a times, either by administrative exigencies or Government priorities and interests. These transfers however, should not break continuity and flow of set organizational goals and priorities. Continuity of ideas and best practices is a key ingredient of administration and so is knowledge-sharing and a robust feedback mechanism, especially involving those who have prior experience of working in a particular department.

It is a common observation that consequent upon transfers of Administrative Secretaries and Senior Officers from various departments, departmental priorities get re-aligned and hence initiatives conceptualized/

212 The J&K Official Gazette, 15th June, 2023/25th Jyai., 1945. [No. 11
initiated by the outgoing Secretary or a Senior Officers, which may not get
materialized during their tenure, sometimes remain unattended, thereby not
yielding the desired outcome visualized by the outgoing officer.

Recognizing the significance of such ideas/initiative and therefore to
ensure continuity of thought, it has decided to establish **“Excellence
Group”** under the concerned Administrative Secretaries in all department
of the Government of Jammu and Kashmir for facilitating exchange
of ideas and concepts among Administrative Secretaries and other
Senior Officers, who have held the charge of the departments or office in
the past, and the present incumbents of these department or offices. This
shall not only ensure materializing of fruitful ideas/initiatives, but would also
foster value-addition in the governance structure, converting and idea into
tangible outcome.

It is accordingly enjoined upon all Administrative Secretaries and
Heads of Departments to establish these **Excellence Groups** hand make
them vibrant by organizing discussions, while inviting senior officers, who
have previously worked in these departments/offices. This would foster
knowledge-sharing and continuity of thought and this kind of **forum for
argumentation** would be an aid to achieve tangible results of the initiatives/
programmes conceived from time to time. These discussions should be
instituted as an embedded feature of the overall working of the departments.
