1. Introduction

- 1.1 Jammu and Kashmir, which is primarily a services based and Agrioriented economy, with the hope inspired by the goals of Development Vision, has recently opened up for a major overhaul of the industrial infrastructure to boost the industrial expansion in different sectors of strength.
- 1.2 For a strong industrial base, a highly structured industrial land supported by an out and out Policy is pivotal in attainment of the mission of creating an industrially progressive niche with higher levels of competitiveness, productivity, and proficiency.
- 1.3 Though Jammu an Kashmir announced its first Industrial Policy in 1995 and substituted it by another policy in 1998, the first detailed and comprehensive Industrial Policy was announced in the year 2004 which was followed by Industrial Polley of 2016 and 2021. These policies provided the basic mechanism of Industrial Land Allotment along with development of Private Industrial Estates. However, the desired targets remained unaccomplished.
